1. Booking

1.1. Hire period The hire period is the date(s) that is shown on the quotation as the 'Event date'. Use of the equipment on days after the install date and before the strike date, other than to decorate, 'set-up' and pack away, is not permitted. In the event that the equipment is used for days other than those stated, further reasonable charges can be imposed on the client by Fairytale Marquees to cover wear-and-tear and any support requiring a call-out will be chargeable at a rate of £60+VAT per person per hour and is subject to availability.

1.2. Making a booking The equipment inventory must be checked by the hirer and a confirmation e-mail sent to Fairytale Marquees stating any corrections or accepting the inventory as it is. Within this e-mail a request to confirm the booking should be made. Upon this request an invoice for the deposit (25% of total hire fee) shall be sent to the client immediately upon an order being placed. The client shall also be aware that the hire is not confirmed until the deposit is received as cleared funds. The balance payment is due as cleared funds with Fairytale Marquees before the event date stated on the quotation.
